

My stocking is hung up !
Every Christmas I make a card
Really it is quite a job to make one to
Reach all my freinds to wish them
Yule time greetings and best wishes.

Carols resounding, snow covered fields,
Happy children welcoming the day,
Relatives meeting
In homes across the country.
Some faces missing today as
Time sweeps along.
My Christmas is a happy one
And I hope yours is too.
Smithy sends greetings for 1962.
